

Scheme for the Certification of Health and Safety Management Systems

General Description

Objectives for Certification to OHSAS 18001

Scope

The BASEC Mark of Health and Safety Management System Certification

OBJECTIVES FOR CERTIFICATION TO OHSAS 18001

The objective of the Scheme is to provide an independent assurance of an Organisation's capability to work to a Health and Safety Management System conforming to the requirements of OHSAS18001.

SCOPE

For Health and Safety Management System Certification, the scope of the assessment is all of the Organisation's activities, processes, products and services at a given location.

THE BASEC MARK OF HEALTH AND SAFETY MANAGEMENT SYSTEM CERTIFICATION

Health and Safety Management System Certification entitles an Organisation to use the appropriate British Approvals Service for Cables mark on letter headings, in advertisements and for other promotional purposes ***other than product marking***.

1. Product Marking comes under a separate scheme. Details are available separately.
