

Scheme for the Certification of Quality Management Systems

General Description

Objectives For Certification To ISO 9001

Scope

The BASEC Mark of Quality Management System Certification

OBJECTIVES FOR CERTIFICATION TO ISO 9001

The objective of the Scheme is to provide an independent assurance of an Organisation's capability to work to a quality management system conforming to the requirements of ISO 9001.

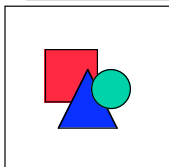

SCOPE

For Quality Management System Certification, the scope of the assessment is the Organisation's declared range of products or services.

THE BASEC MARK OF QUALITY MANAGEMENT SYSTEM CERTIFICATION

Quality Management System Certification entitles an Organisation to use the appropriate British Approvals Service for Cables mark on letter headings, in advertisements and for other promotional purposes ***other than product marking***.

1. The use of the UKAS mark is prescribed by Regulations. Clients should check the validity of differing uses with BASEC.
 2. Product Marking comes under a separate scheme. Details are available separately.
